

Dear Friend:

Finally, it's time for our First Annual Municipal Charter School Authority Golf Classic at the beautiful Coral Oaks Golf Course to raise funds for the City of Cape Coral Municipal Charter Schools. We will be playing on a beautiful course, eating delicious food and having a silent auction.

As many of you know, the Municipal Charter School Foundation helps to raise funds to support the schools, the teachers and the students as well.

We are looking for assistance to put on the event this year. If you could be a major sponsor for the event, become a hold sponsor, donate raffle prizes or auction items or even put together a team to golf, please let us know. We've made each option to support us VERY affordable and well worth the investment. Whether you know all about the Foundation and have helped in the past or just found out about us, we appreciate your support. If you would like more information about the Foundation or our mission, please feel free to call Kevin Colpoys at (239) 218-6157.

The Cape Coral Municipal Charter School Foundation is a private, not-for-profit 501(c)(3) corporation for the sole purpose of assisting, advancing and benefiting the students, faculty, staff, facilities and operations of the Cape Coral Municipal Charter Schools.

Your generous dedication to become a sponsor would assist us in our mission to provide an enriched, quality education to the students we serve and provide the necessary supplemental finances in this endeavor.

Please consider becoming a sponsor or joining us for golf. If you need more information, please contact me or see our web site: www.CapeCharterFoundation.org All donations are tax deductible to the extent allowed by law.

Thank you for your consideration.

Sincerely,

Kevin J. Colpoys
